

SMARTPEEN®

*May the control
be with you*

The Smartpeen® is a controlled shot peening machine for touch-ups and peen forming operations

- Touchscreen interface
- Controlled manual peening
- Pre-set recipes
- Saves money and setup time
- Closed loop media flow control
- Closed loop air pressure control
- Robust portable unit with large wheels
- For steel and ceramic medias
- Available with media reclaim capability
- Enhanced safety
- E-Stop button
- Beacon light status indicator
